

## Memo

**To:** Residents and Family  
**From:** Tina O'Malley RN, ICC  
**Date:** May 29, 2025  
**Re:** Respiratory Outbreak Update

---

In consultation with Public Health, Valley Manor will now be closed to general visitors. Essential Caregivers will continue to be able to visit following Infection Control practices. Consideration can be given to other visitors for essential reasons. Please call the Nurse in Charge at extension 235 to discuss.

- When visiting residents, please remain on the resident home area and respective dedicated lounge and refrain from visiting other home areas.
- The courtyard remains open for visiting and exercise.
- New guidelines also recommend close contacts (roommates) to isolate as well for 5 days.
- Small group activity programs will be held on individual units.
- The unaffected home area will continue regular activity programs for residents on that unit.

### Total Cases:

- Zone 2 (rooms 101-120): 0
- Zone 3 (17-32): 2
- Zone 4 (1-16): 2
- Staff cases: 0

Sincerely,

Tina O'Malley RN, ICC
