

Employment Opportunity
Part Time Dietary Aide

General Requirements

- Must be willing to participate in the on-going education on food handling and food safety.
- Must be in good health, dependable and enjoy working with the elderly.
- Adaptable to work that involves constant standing and walking, turning, stooping, bending, stretching and lifting.
- Adaptable to work that involves the ability to perform short cycle repetitive duties under specific instructions.
- Meet all required Health Standards as established by the Home.

Duties Include:

- Food preparation and serving of meals (and snacks) to the residents, in the dining room as outlined by set menus or by the cooks
- Setting and clearing of the dining room tables
- General Housekeeping of work areas, dishes and equipment
- Any other related duties pertaining to Dietary.
