

# IT'S TIME FOR FREE EDUCATION.

## It's Time to Become a Personal Support Worker.

### **Become a Personal Support Worker in 30-weeks with Willis College.**

Get hands-on learning, earn seven additional industry certificates, and apply your skills in your Personal Support Worker practicum!

### **THE WILLIS COLLEGE SCHOLARSHIP PROGRAM**

The program will be accepting 300 students into the Personal Support Worker Program. The scholarship program will provide **free training** (tuition and books) to students.

### **HOW IT WILL WORK**

The first program will start in January with additional starts in the first half of 2021. Students are guaranteed practicum placements (to be assigned by Willis College) and students must have access to a computer and transportation. All students will need to meet the admissions requirements for the program. The theory portion of the program will be delivered 100% online with hands-on learning at the assigned longterm care homes.
