

Memo

To: Attention: All Families of loved ones in Valley Manor
From: Stacey McDonald (Director HR & Finance)
Date: January 17, 2022
Re: Hairdressing Services Suspended during Outbreak

For resident, family, essential caregiver and staff safety, Valley Manor will *temporarily suspend hairdressing services* for our residents during COVID-19 outbreak. Please note, hairdressing services have not been offered at Valley Manor since 23 December 2021.

Once Public Health declares Valley Manor not in Outbreak, we will reinstate service with safety precautions and appropriate PPE per Public Health and the Ministry of Long Term Care.

Thanks to all of our very understanding residents and families for working with us to ensure the safety of your loved ones during this time. Your support is very much appreciated.
