Re: COVID-19 vaccine boosters

COVID-19 vaccines will be ordered for a resident clinic on June 28, 2022 at 1100 am.

I will be ordering Moderna, but Pfizer is usually available as well. I would need to know prior to ordering on June 23, 2022 if Pfizer is requested.

If staff require a booster dose, please let Tina, Gail or Tara know if interested.

For Essential Caregivers, please let Tina or the front office staff know if interested.
