COVID- 19 Outbreak at Valley Manor LTC

Public Health has declared our COVID-19 outbreak over as of today, August 30, 2024.

- All cases were contained to zone 2.
- 5 residents and 2 staff were affected.
- Residents will return to the dining room at lunch today.
- Activities will resume as usual.
- Visiting restrictions are lifted, except for residents completing their isolation period.
- Residents who remain in isolation are restricted to essential caregiver visits for the duration of their isolation period, which will end in the next few days.
- Thank you to all for following Infection Control practices.

If you have any further questions, please contact us.

Tina O'Malley RN,
Infection Control Coordinator
